To Whom It May Concern:

This referral letter is in support of Tiffany Envid, harpist, who recently has moved from Chattanooga, TN to the Columbus, Ohio area.

It has been my pleasure for several years now to have known Tiffany Envid, harpist, and to have hired her to play for a variety of services and concerts in Chattanooga.

Tiffany is an extremely talented harpist with technique and musicality for performing a variety of musical styles. She has accompanied the Chancel Choir of Brainerd UMC on several occasions as well as The Scenic City Chorale of Chattanooga, both choral groups which I direct. In addition, she has also performed solos with both groups, and many solo and accompaniment venues throughout the greater Chattanooga area. On some occasions, I have been in the audience for concerts where Tiffany was the harpist and she is a delight to watch and to hear.

Mrs. Envid is professional in every respect. She is punctual, communicates well, always prepared, pleasant to be with, interacts with all other musicians and is highly respected by her peers. She has been a leader and major contributor to the Chattanooga Harp Society, a group which we have hosted here at Brainerd on a recent occasion. Last fall, Tiffany was hired by the Chattanooga Symphony and Opera Association to play for a dinner for CSO supporters, in one of our major hotel ballrooms. Her performance added greatly to that evening's success.

It is my belief from knowing and working with Tiffany Envid that she is a person of high integrity, moral character, a great mom and wife. She is tops in my book!

Sincerely,

Ron Starnes
Director of Music, Brainerd UMC
Director, Scenic City Chorale
