To Whom It May Concern:

This letter of referral is written on behalf of Tiffany Envid, harpist. She has provided our patrons with lovely music at previous Chattanooga Symphony and Opera special events. Her selection of repertoire was exactly what was needed for the occasion, and her interaction with patrons was warm and engaging.

It's always a pleasure to work with Tiffany. Her musicianship and professionalism are easily evidenced and always appreciated.

I would recommend her to you without hesitation.

All the best,

*Kathy Allison*
